

# Corporate Archery Days

## Frequently Asked Questions:

**Can we make our Corporate Archery Event competitive?**

- Yes, events can be arranged such that you can have a winner at the end of the day. Try our 'Shoot the Apple' challenge!

**How long do we get?**

- Generally we allow one hour per group. We have two archery targets available at any one time, and groups will simply rotate after each round so that everyone gets a chance to have a go

**Can you come to our venue?**

- Yes, we are fully mobile - provided we can find a safe location to set up and run the event

**Is it safe? Are you insured?**

- Yes, we are fully insured. All our instructors have received GNAS-approved training to allow them to teach adult beginners. GNAS (Grand National Archery Society) is the official governing body for archery in the UK.
